Freedom is lost now...!

PREMIUM-Mv1D—QUICKSETUP

Thanks for purchasing of mv1D and we allotted an account in premium server with 100 sms credits
Please follow the procedure in step wise manner.

Step:1 gprs sim activation

Take gprs activated sim with balance of rs 20 inr atleast(to know gprs activated or not install the sim in mobile and open www.google.com if google site is loaded then gprs is active if site does not load contact gprs service provider.

Tracker uses only 30mb/month

Recommended gprs service - airtel gprs – rs 57/month (post paid)

-aircel gprs- rs 24/month (pre paid)

Step: 2- Switching on mv1D model.

Insert simcard and connect the mv1D model to battery wire and connect as per wiring instructions mentioned and you should be able to see leds.green led is for gsm ,blue is for gps,red is for power, all leds should be continuous on or off if blink means respective problem please recheck the problem with customer support
